### - wmcc online -

Coming sometime this winter to an internet browser near you, the West Michigan Corvair Club home page. I am in the process of developing the home page and I want to include a section featuring Corvairs that belong to WMCC members. If you would like the world to see your car, you can send me a photograph and a little write up about your car. I will return the photographs when I am done with them. A number of other Corvair clubs have home pages and not only is it a good tool to recruit members, it also allows us to show off our cars!
