

Lifter Noise

February 2018 - Volume 45, Issue 2

What's Going On

Coming up this month is the annual Zoup Off! Saturday, February 10 is the date, the community room at Rockford Ambulance is the place. We will start setting up at 2 PM with the soup served shortly after that. We will be judging the best soup and best dessert with the winners in each category taking home coveted trophies! We'll also have prizes for the winners. After we eat, we will have entertainment planned but you'll have to attend to find out what it is! Rockford Ambulance is located at 8450 Shaner Ave. NE (northeast corner of 10 Mile Rd. and Shaner Ave.).

Note that the Zoup Off will be considered our February meeting. We will resume the Tuesday evening meetings in March.

Thank you to those who have already paid your dues for 2018. If you haven't yet, what are you waiting for? You can pay them at any time. You can bring them to any of the upcoming events or mail them to the club address. The \$18 membership fee is a bargain.

The February board meeting will be held on Tuesday the 27th at 6:30 PM at Hilliards Lounge, 3508 18th St. in Wayland.

January Meeting Recap

The January meeting was held at Rezervoir Lounge with a few people in attendance. The meeting was going well until the volume of the music was cranked up. That made it difficult for conversation. Needless to say we will be considering other venues for future meetings.

January Board Meeting Recap

In attendance at the January board meeting were board members Paul Adams, Dan Konkle, Doug Lectka, Scott Olivier, and Dave Ziebarth. They were joined by Bob Muir.

Overnight Trip

- Dave Dykwell has been planning already
- Even though Dave was not able to attend the meeting, he got a list of possible destinations to Scott Olivier
- We debated over the destinations and decided that each board member would look over the list on their own and bring their top 3 picks to the February board meeting

Car Show Listing

- Dave Dykwell also put together a list of car shows happening this spring and summer
- Some of these shows could become official club events
- Others would be published and club members could informally gather at these shows
- Like the overnight trip destinations, the board members will individually mull over the choices and bring them back to the February board meeting for further discussion

Zoup Off

- February 10 at 2 PM
- Some will gather at 1:30 PM to start setting up
- Scott Olivier will get the key on February 9 and pay the fee
- Dave Dykwell has prizes left over from the Christmas Party we can use
- If additional prizes are needed, they can be procured by Doug Lectka
- Debated over many options for entertainment including a lot of the game shows we did in the past
- We decided that we would try to duplicate the balloon races we did a few years ago
- Dave Ziebarth will put together what is needed

January Meeting Recap

- Was going well until the venue, Rezervoir Lounge, turned on some loud music
- It was suggested that we try a new venue for the March meeting
- After some debate, it was decided to try Shots on the River in Comstock Park again
- Dave Ziebarth will make the reservations

Future Board Meetings

- February at Hilliards Lounge
- March at Bunker Hill Chill and Grill

Dues

- A few people have paid their 2018 dues already
- Dave Ziebarth and Doug Lectka will start getting a 2018 membership roster together to track who paid
- Dave Ziebarth will put a blurb in the newsletter about the need to pay dues

WMCC Calendar

February 10	Zoup Off
February 27	WMCC Board Meeting at Hilliards Lounge
March 20	WMCC Membership Meeting at Shots on the River

Front Cover: Monza Sport Coupe above: Monza Convertible

THE RUGGED, RELIABLE, THRIFTY CORVAIR . . . STILL AMERICA'S ONLY REAR ENGINE CAR

Here's the new 1969 Corvair, the car that has a little something for everybody and a great deal more for those who appreciate proven durability, practicality and economy. America has never produced anything like it.

And the nimble, road-sure Corvair offers even more good things for 1969. Among them: two new front seat head restraints, new more comfortable bucket seats in Monza models and a big, handsome new array of colors, inside and out.

Corvair owners have come to love its rear-engine traction and stability along with the smart performance of its thrifty air-cooled sixes. Small wonder Corvair has such a devoted following. Drive it and see why.
