What's Going On

Our summer picnic returns this month after a one year hiatus! The club will provide the main dish. We are asking that everyone bring a dish to pass (side dish, appetizer, or dessert) and their own beverages and table service. You might also want to bring some lawn chairs. Bring a swimsuit if you want to take a dip in Lake Michigan! Our host will be Bob Muir and the picnic will be held at his cottage. The address is 7789 Margaret in West Olive. We will have a social hour starting at 1 PM with dinner being served shortly after 2 PM.

In August, we will have our regular meeting on Wednesday, August 18 at 6 PM. We will be meeting at Gilmore Car Museum as part of their weekly Wednesday cruise night. Admission is free but note that the barns will be closed. The diner will be open as well as the grill so food will be available.

We will also be going back to in person board meetings on the fourth Tuesday of every month. Start time is 6:30 PM and all are invited to attend. However only board members can vote on club issues. July 27th - Doug Lectka's house, August 24 - 5 Lakes Brewing Company in Dorr, September 18 - Shots on the River in Belmont.

June Event Recap

We had a couple of official club events in June and there was one other event that a couple of WMCC members attended.

Our first event was our Tuesday membership meeting held at Fricano's as part of their Tuesday cruise night. We had six Corvairs in attendance including new members Greg Poehl and Doug Arnold. There were quite a few cars in the show field as this is always a popular event.

The next club event was on June 20. We attended the annual Father's Day car show in Hastings. It was a beautiful day and we had a good number of Corvairs in attendance.

We also had a couple of club members attend the All Air Cooled Car Show at Gilmore Car Museum on June 19. Unlike Father's Day, the day before was pretty wet. The skies briefly cleared up and there were a few Corvairs that came over from the Detroit club. One other thing of note is that the Corvette Corvair show car was on display at Gilmore Car Museum as part of a Corvette exhibit.
