

Lifter Noise

February 2022 - Volume 49, Issue 1

What's Going On

We had hoped to provide the details of the Zoup Off in this edition of *Lifter Noise*. However after our survey to the club membership, the board of directors has decided to cancel the Zoup Off. It is unfortunate as we were looking to get back to a normal schedule of gathering as a group. But, nothing is normal right now. We'll shoot for 2023 to resume the Zoup Off.

With that being said, we also decided that our next event will be the Spring Dust Off in May. It is difficult to plan anything right now with all of the uncertainty. The Spring Dust Off will be an outdoor event.

We are collecting dues for 2022. It's still only \$18. Since we aren't meeting until May, you can mail your dues to the club address on the last page of this newsletter.

If anyone would like to share their winter Corvaire projects, feel free to put together an article and send it to me at zvair65@gmail.com. Otherwise we may not have another newsletter until April or May since there really isn't anything to report.
