

Lifter Noise

April 2022 - Volume 49, Issue 2

What's Going On

How's everybody doing out there? It's been awhile since we last saw each other. After a false start with the Zoup Off, we are finally ready to have some events where we can get together!

Our next meeting is Saturday, April 23 at 2:00 PM. We will get together at the Grand Rapids Public Museum. We just plan on doing a self tour of the museum and just having some fellowship time. Admission is \$12 (\$10 for Kent County residents), \$5 for children under 17 (free for Kent County residents), and \$10 for 62 and older (\$8 for Kent County residents). Following the meeting at the museum, the board of directors will be meeting at O'Toole's Public House, 448 Bridge St. NW.

Our annual Spring Dust Off will be on Saturday, May 14. We will be rallying to Frances Park in Lansing where we will be meeting up with the Detroit Area Corvair Club. We are asking everyone to bring their own picnic lunch, beverages, and lawn chairs. Meet up time is 10:00 AM at Burger King, 5135 Broadmoor SE in Kentwood. We plan on leaving around 10:30 AM in order to get to Frances Park at noon. For those who are interested, we plan on meeting up at Lansing Brewing Company after the picnic. If for some reason the weather is terrible, we'll try again on May 21.

Our event for June will be the Father's Day car show at Charlton Park in Hastings. We want to arrive at the park a little earlier this year so we will be meeting at Tractor Supply Company, 2490 M-43 in Hastings, at 7:30 AM.

Thank you to everyone who has already paid their dues for 2022! We typically cut off members who haven't paid by the end of April but we'll extend it to the end of May since we haven't been meeting in person. Feel free to pay at the April meeting or Spring Dust Off in May. Otherwise you can mail your dues to the club address on the last page of this newsletter. Dues are still \$18; a bargain.

WMCC Calendar

Greenbrier De Luxe Sports Wagon in Red with DR-White shown with optional wheel covers.

CORVAIR GREENBRIER sports wagon

With up to 175.5 cu. ft. of stowage space, Corvair Greenbrier Sports Wagon for '64 just has to be one of the heftiest loaders in the business. Yet Greenbrier's trim overall length of 179.7 inches is no longer than any other Corvair. And with all the advantages of Corvair rear-engine traction and economy to boot. Regular Greenbrier sports striped woven fabric on seats, painted

sidewalls, vinyl-coated jute headlining, rubber floor mats, front dome light and driver sunshade. A rich fawn interior is standard. De Luxe model offers a choice of all-vinyl fawn, green, red or turquoise interior color-keyed to exterior finish. Name your load. Corvair Greenbrier for 1964 takes it anywhere, any time . . . and makes the going more businesslike and more fun.

Full-seat comfort for 6 or 9 passengers

Greenbrier's foam-cushioned seats provide traveling relaxation for six husky grown-ups. Second seat faces fore or aft to meet load requirements or passenger preference. Remove it, and there's approximately 50 sq. ft. (117.5" x 61.2" maximum) of floor area. Seating space for nine with an optional third seat*.

Big double doors at both rear and curbside

Bushels of loading maneuverability through Greenbrier's double rear doors, double curbside doors and 2 front-seat doors. Accessibility suits your specific cargo with doors that may be positioned halfway or fully open. For added loading convenience, left side doors* are available for Greenbrier '64.

Camp out in style

With little encouragement, Greenbrier for '64 converts into a camper's delight. A special Custom Camper Unit* provides almost everything necessary for a go at the great outdoors. For individual camping accessories, check your local Chevrolet dealer's wide listing of Greenbrier camping equipment*.
