July 2023 - Volume 50, Issue 5

What's Going On

The calendar has hit July and that means it's time for our annual summer picnic! It will take place on Saturday, July 15 at Bob Muir's cottage on Lake Michigan. Social time starts at 1:00 PM with the eats being served at 2:00 PM. The club will provide the main dish of brisket and pulled pork and a side dish of beans. We are asking everyone to bring an appetizer or dessert as well as their choice of beverage, table service, and chairs. Also bring your swimsuit if you want to take a dip in Lake Michigan. Bob's cottage is located at 7789 Margaret in West Olive.

Also happening in July is the annual Corvair Homecoming put on by the Detroit Area Corvair Club. This year it takes place on July 13 - 16, which happens to be the same weekend as our summer picnic. For more information, go to the event website [here](#).

Our event for August is the Red Barns Spectacular at Gilmore Car Museum on Saturday, August 5. We will be meeting at McDonald's, 9383 Cherry Valley Ave SE (M-37) in Caledonia, at 7:30 AM to rally to Gilmore as a group. Admission fee is \$20 per car for the car display or \$25 per car if you want to be judged. Admission fee covers two people.

Another event happening in August that may be of interest to WMCC members is the annual 28th Street Metro Cruise on August 25 - 26. There are events at different parts of 28th St. throughout the weekend. Would there be any interest in meeting up as a club somewhere for a little while? Our best bet would probably be on Saturday, August 26. We would just pick a spot based on interest. If you are interested in a possible club meet-up, send an email to zvair65@gmail.com.

We may be planning an event for September but we are not sure yet. We would like to try to do something. Stay tuned for further details.

There seems to be a show every weekend plus many cruise nights. Go to our [events page](#) to see a list of shows happening throughout the summer.

June Recap

While we had only one “official” club event in June, there were actually two opportunities to get those Corvairs out.

The first event was the Air Cooled Show at Gilmore Car Museum on June 16. We had a few Corvairs from our club in attendance.

The second event, which was our “official” club event, was the Father’s Day Car Show at Charlton Park in Hastings on June 17. We had around five Corvairs in attendance at this show.
