Dear NECC Member:

Driving Impressions, the exclusive importer of OMP products for the United States, is extremely excited about establishing a partnership with the NECC. Now is a very exciting time for Driving Impressions because we are associated and do business with so many great organizations like yours. OMP is based in Italy and manufactures two main lines: racing safety equipment and auto accessories. You have probably seen OMP driving suits on such racecar drivers as Michael Schumacher, Roberto Moreno, Jeff Burton, Hurley Haywood and Kyle Petty. We also carry Arai helmets, Bieffe helmets, G-Force helmets, Sabelt Harnesses, Motorquality helmets and karting equipment, and BMC Air Filters. We are excited to be able to offer our products to your group with this very special offer:

NECC members will be able to purchase all merchandise from Driving Impressions at a 10% discount except for the Tony Kart products. For you to take advantage of this great discount just call our toll free number at 1-800-275-4667 and say, "I am a NECC Member!". It's that easy!!!!

We are looking forward to working with you and your club. Please don't hesitate to give us a call if you have any questions about our product line or our company. Also, don't forget to visit us on the web at www.ompusa.com.

Sincerely,
Brent Rivenburgh
