ACORNS - Association of CORvair NutS  
Rochester, NY - Corsa Chapter 148  
April 2024 Newsletter

## Pres Says by Brandon Carmo

Hello ACORNS,

I hope you've all got your eclipse glasses, because tomorrow is the big day. Hopefully it isn't overcast.

April is here and it is time to start dusting off cars, doing oil changes, and getting ready to do some driving! I have a bunch of oil filters on order for my stable. Unfortunately, I saw them dumping a bunch of salt after the nor'easter last week, but we should get some rain later this week that will hopefully clean the roads enough! Things are looking up! I'm excited to get the Lakewood out there soon and hopefully I will get the trunk project done on the '67 so I can have two functional Corvairs this season!

I've been doing some parts collecting for the Citroen SM, which involved a trip to north central Maryland and southern PA. I was very close to Corvair Ranch and wish I had a vehicle with more room so I could pick up a bench seat core for the Lakewood, but that was not the case, because it turns out Citroen people are as nice as Corvair people! The gentleman in Maryland that I was buying door panels from, also had two Citroen DS 4 speed transmissions. He couldn't find anyone willing to come get them and was about to scrap them, but it turns out, they would be compatible with my car if I needed them, so he gave me one for an incredibly nice price. Then the gentleman in PA had an entire document he wrote for getting an SM back on the road, but he wrote up a special version for me because mine has the DS engine. We then spent a lot of time going through parts and talking about hydraulics. This was very reminiscent of some of my earliest meetings with ACORN members. Just friendly people who want the new folks to succeed with their cars. I value the ACORN and other Corvair friends I've made along the way who have been so helpful and informative during this journey.

We had another great breakfast at Peppermint's this month. It was nice to see all those who attended. We had enough people to have a meeting and make some decisions on some matters.

- A contact has come forward to help with the possible sale of Tom Martin's cars
- More ideas were passed around for possible 50th Anniversary commemorative items
- End of the year dinner location was discussed. (Likely Bella Pasta in Greece, NY)

Be sure to check out the **Activity Report** for more information on these matters.

**PLEASE NOTE THERE IS A NEW DATE FOR THE DAVE PULHAMUS PARTS MEETING: APRIL 27TH, 9AM (RSVP TO ME BY 4/22)**

Be well and happy spring!

## From the VP's desk:

Hi All,

Not much to report as far as the shop or my jalopies, as I was on a tear at work with OT on a tough project, including some weekend hours. I am still, however, on track for whoever would like to come out to the shop on May 18th to put together a plan/start parting out Scooby. I will put out a request for an RSVP in early May so that I can have refreshments available. Also note that the date has been changed for the part reduction event at Dave P's from April 20th to April 27th.

We had another good turnout for our breakfast meeting on the 3/16 at Peppermints. The level of engagement so far this year is encouraging. Let's keep it going!

Mark

## Treasurer's report:

We are still trudging away at getting dues paid. As of 04/07, we still have 12 members who have not paid. I am asking one more time for folks to please get me your dues in by 04/30/24. If not in by then, we will be reducing the roster.

Existing members will pay the full \$12 for the year. You can write me a check, made out to me, Mark Webster, and I will cash it and deposit the funds into the club fund on your behalf, or you can Venmo me the dues and I will do the same. My address is

Mark Webster  
607 Winona Blvd  
Rochester, NY 14617

Venmo me at:  
@mwebby-1964

- **January through December: \$12**
- **April through December: \$9**
- **July through December: \$6**
- **October through December: \$3**

| New club total:   | \$1750.13 |

# ACORN March Activity Report

## Breakfast at Peppermints Diner - March 16, 2024

ACORNers attending:

- Brandon Carmo - President & ACORN News Editor
- Mark Webster - Vice-President & Treasurer
- Dick Powers
- Dave Ellis - Historian
- Dick Gilbert
- Dave Shaffer
- Jean Marc Urbain
- Jim Bartasevich - Secretary & Membership

Again, we had a good turn-out for the breakfast and meeting. Food seems to be a uniting factor for Corvair people! Because we had a meeting, the club paid for breakfast too!

## Meeting Minutes

### Old Business

- **Winnowing the ACORN parts supply**

As of now, we'll be working on the supply at Dave Pulhamus'. **We scheduled this for April 27 at 9 AM. Please note the date change.** We can add the supply at Mark's and at the RR & PC later on. RR & PC will probably be the biggest.

- **Tom Martin's Corvairs**

It turned out that one of my neighbors knows Tom and spoke to the executor of Tom's estate. The cars are all coupes: '65 with A/C; '64 and '63. All had been running and inspected. They think that the '64 needs a starter. All have been stored indoors under covers. There is also a large amount of parts and ACORN newsletters. My contact's name is Don Coast, 749-2529 [cell]. I told him that I'd be glad to go with him to look over the cars and parts and help with the pricing using the latest Old Cars Price Guide that Dave Ellis provided.

- **ACORN 50th Anniversary, 2025**

In 2025, ACORNs will be 50 years old! Dave Ellis volunteered to coordinate our celebration next year. He'll start by preparing the information and photos from the early years. In addition, we'll be thinking about a commemorative memento, maybe something different instead of a jacket patch or dash plaque. Some suggestions have been shirts, jackets, license plate frames, drinking glasses, and window decal. If you have any ideas, please let Dave [dellis1@rochester.rr.com] know.

## ACORN March Activity Report (cont.)

- **End of Year Dinner**

Dave and Edie Ellis have made arrangements to hold our holiday dinner at Bella Pasta in Greece. It will be a buffet and will start at 2 PM. The cost has not been finalized, but the club will pay 1/2 for members.

### New Business

- **CORSA Annual Chapter Report**

This has been completed and sent to CORSA with the \$35 fee because not all of the ACORN members are members of CORSA.

**NOTE: If you have something you want to do to maintain or repair or just have questions about your Corvair, contact us! You don't have to wait for a date on the calendar above.**

**Car Nuts Breakfast:** A group of car nuts meets for breakfast the second Thursday of the month at Bay Front Restaurant, 1075 Empire Blvd. Some of our members have attended, including me. You'll be with about 40 other car nuts. You know what that means: Talking about cars, of course! In good weather, it's almost like a mini car show in the parking lot too. It's a good time, so come on out!

Submitted by Jim Bartasevich, Secretary & Membership, 03-29-24

## ACORN 2024 Event Calendar [Subject to change]

**April 27:** ACORN Parts Reduction at Dave Pulhamus' 9 AM **RSVP BY 4/22 TO BWCARMO@GMAIL.COM**

**May 18:** Disassemble a Greenbrier at Mark Webster's 9 AM

**June 22:** Motor trip and meal: TBA

**July ??:** MGCC car show

**August ??:** Joint event with Finger Lakes Region VW Club

**September 15 [Sunday]:** Corvairs on the Hills, Fred Marsh

**October 19:** Fall color tour and meal; TBA

**November 9 [2nd Saturday]:** Year-end dinner, Bella Pasta; Dave & Edie Ellis

## ACORNS 50TH Anniversary

The Leadership Team has concurred that we will be celebrating our 50 Th Anniversary in 2025. That means we will have to be making some decisions and implementing some plans in 2024 to assure we can make sure our 50 th Anniversary events can be effectively implemented and enjoyed by all...

One topic to be discussed is what memorabilia are we going to create?... Three suggestions are currently under consideration,,,T-Shirts, Dash Plaques, and Patches.....only one item is going to be produced,,,so a decision needs to be made by mid year '24 so that the process of implementation can occur in a timely fashion...The Club would fund about ½ of the cost and the members whom would like to procure whatever the memorabilia item might be would have to place their orders upfront, and cover their portion of cost upfront to assure we have sufficient resources in place to make it happen....

This communication is being created to request your personal input on which of the 3 options presented above would you prefer...or if you have a suggestion for an additional candidate,,,please make it....Feed back should be made directly the Dave Ellis,,,at his cell phone number 585-503-9445...or to his email address dellis1@rochester.rr.com... Please make your inputs by the end of February... Results will be presented at the March Meeting....hopefully the decision will be made and presented in the April issue of the ACORNEWS...

Having an Anniversary Picnic during the Summer or 2025 would be a highlight of the year....Where to hold such an event was discussed at the January planning meeting.....The cost to reserve a shelter at which to hold the event was discussed...and it was decided that the cost to reserve the location could be better spent toward the food and fluids to be provided at such an event...Our treasury should have sufficient funds to cover the majority of the cost for food and fluids...At worst we might need a few bucks per person....Brandon Carmo has generously offered his home as a potential location...lots of room and we have held successful ACORN events there in previous years...August seems to be a reasonable month to schedule such an event....If you have any reason to suggest an alternative month...again,,,provide your input directly to Dave Ellis..

Looking forward to successful 2024 planning for a very enjoyable 50th Anniversary Year in 2025...

DME out...

## ACORN FOUNDING MEMBERS PROFILES- DICK GILBERT

Back in the middle 70's when Ed Sutton began to gather together a group of "CORVAIR NUTS"...

One of those unique folks was Dick Gilbert....His rural home had enough acreage that a whole bunch of Corvairs awaiting parting out could safely be stashed out in the field behind the barn...without garnering the attention of the local code enforcement folks,,,the barn itself could hold a whole bunch of previously harvested spare parts...

I would hazard a guess that MANY dozens of Corvairs were "processed" at that location over the many years that it was used for said activities....With several dozens of very active members at this point in time...all of whom had at least one,,sometimes more than one vehicle in the process of being restored, upgraded, put back on the road...there was a very healthy demand for good quality used, harvested, "inexpensive" spare parts,,,anything from entire powertrains to and including entire interiors were fair game....doors, hoods, decklids, windshields were considered "easy pickins"!!!

In the years following the ACORNS becoming a certified CORSA CHARTERED entity in 1975,,,they began to be more active in pursuing Corsa Events outside the immediate locale....Weekend runs to Buffalo, Syracuse events became common place....Week long treks to CORSA NATIONAL Conventions became the highlight of the summers activities,,,Detroit, Syracuse,,,,no big deal,,,ATLANTA Georgia was a bit further afield,,but several folks made it happen,,,Gilberts and Ellis's in particular, had a wonderful time at that event...once we even made a run and stayed a long weekend at the CLARKS CORVAIR semiannual convention....

For a couple decades, most every weekend, May thru September,,,there were ACORNS gathered at someones place to make a group effort assure a significant or minor repair/restoration activity got successfully completed....or...a run to part out a CORVAIR even a couple hour drive away was commonplace...Dick was personally involved in too many of those events to make a guess at the grand total in which he participated...our record for a team of 8 individuals starting with the vehicle on it's wheels, to back on it's wheels, after receiving a complete clutch/pressure plate, throwout bearing replacement process still stands a 6 hours flat....followed by a really good meal, and several "beverages"!!!

In the 90's, 2000's and 2010's folks either moved away, aged out or have passed on...and our current active membership of folks daily driving, and keeping on the road their Corvairs has significantly decreased....Due in no small part to the entire hobby car process having gotten extremely expensive...I just checked Clark's latest flyer,,,a brass contact distributor cap that we routinely used to complain about costing \$6 is now \$20!!!! AND..the availability of vendors who are proficient in the skill trades of interior installation, including convertible tops, drivetrain rebuilders etc has eroded to a very few....

However ,,,,in the face of all of the above...what kept Dick Gilbert busy the last 5 years or so???....

He just completed a significant restoration of a '64 Monza, 4 spd, Convert...it looks wonderful...OH by the way....we need to put a plan together to replace a failing pressure plate,,,at least that is the majority opinion at this point...let's see if we can make that happen soon???...so that he can drive the wheels of his VERT this summer!!!!

## PARTS SALES POLICY

We all know that there are Corvairs "out there" that are owned by people who do not belong to CORSA or ACORN. It was agreed and voted on to make our parts supply available only to our members.

Here are the specifics:

If a non-member contacts us for parts, we'll politely explain our policy and ask if he or she would like to become a member.

NOS parts will be sold at a 50% discount from Clark's prices.

Used parts will be sold cheaply!
