ACORNS - Association of CORvair NutS
Rochester, NY - Corsa Chapter 148
November 2024 Newsletter

Pres Says by Brandon Carmo

Hello ACORNS,

Well here we are... pre-winter. It is time to get those leaves raked, clean those gutters, and probably get the cars buttoned up for the winter.

I think we have had a great year. We've seen more folks at breakfasts and we had a showing at the MG Car Club show. I hope we can keep building up the momentum and be even more active next year as we celebrate the 50th year of the club.

We will have a planning meeting in January. I have to check on the availability of the Locust Club, but that seems like a good place to host the event and have our winter pizza feast. I will suggest a tentative date of Saturday, 1/18/25 for now. If there are any major conflicts with that date, let me know, and if a majority of folks can't attend that day, we can try something else. Come to the planning meeting with some ideas we can try for 2025! Let's keep this momentum going!

This Saturday, November 9th, at 9AM at Peppermint's in Henrietta, 4870 W. Henrietta Road, we will have our final ACORN breakfast of the year, in lieu of the dinner we had originally planned. I have heard from 8 people so far. Please RSVP by Friday, 11/8/24, so we can try to have the tables organized appropriately.

The mugs have arrived and I am very happy with the quality of the printing! I will bring the mugs to the breakfast this Saturday. The mugs will be \$7.50 each. You can pay with cash (please bring exact change), Venmo (@Bwcarmo), or Paypal at brandon@voofurniture.com.

Hope you're all doing well!
-Brandon

From the VP's Desk:

Hey all,

Another car season has come and gone, and this is the last newsletter for the year. Like we had previously mentioned, this year was a rebuilding year for the club, and we made some good headway in regards to getting together more often. I think this is a good start, and I hope we continue to build on this success next year. We welcome any new ideas for club outings, so please feel free to share any ideas you might have. A great venue for that will be the planning meeting in January next year. Please come out and help us make the club as good as it can be. I am looking forward to the club breakfast at Peppermints on 11/9. Hope to see you there. That's it for now, I hope you all enjoy the holidays!

Treasurer's Report

I would like to wrap up the accounting for the year by adding in what we have for expenditures so far in November to the newsletter. We ended October with no additional spending or income, so the total funds remained at \$1748.13 for the year going into November. So far in November we have had two expenditures. First, a \$100 non-refundable deposit made to Bella Pasta in anticipation of a year end club dinner. That plan fell through, so the club owes David and Edie Ellis \$100. The other expenditure was the club's contribution to the 50th anniversary mug project that Brandon championed and was very successful with. The club's contribution to the project was \$137.46. That said, the year end treasury wrap up looks like this:

That's all for now.

Existing members will pay the full \$12 for the year. You can write me a check, made out to me, Mark Webster, and I will cash it and deposit the funds into the club fund on your behalf, or you can Venmo me the dues and I will do the same. My address is

Mark Webster
607 Winona Blvd
Rochester, NY 14617

Venmo me at:
@mwebby-1964

January through December: \$12
April through December: \$9

July through December: \$6
October through December: \$3

Club funds as of 11/07/2024:

Club funds entering October:	\$1748.13
Reimbursement of deposit made to Bella pasta by DME:	- \$100.00
Club contribution to 50th anniversary mug project:	-\$137.46
New club total:	\$ 1510.67

If we have any unexpected pay-outs between now and January, I will send out an email to let the club know. I would also like to take this time to encourage everyone to get dues paid as soon as possible for 2025. Many thanks in advance!

Best regards,
Mark

ACORNS 50TH Anniversary

Having an Anniversary Picnic during the Summer or 2025 would be a highlight of the year....Where to hold such an event was discussed at the January planning meeting.....The cost to reserve a shelter at which to hold the event was discussed...and it was decided that the cost to reserve the location could be better spent toward the food and fluids to be provided at such an event...Our treasury should have sufficient funds to cover the majority of the cost for food and fluids...At worst we might need a few bucks per person....Brandon Carmo has generously offered his home as a potential location...lots of room and we have held successful ACORN events there in previous years...August seems to be a reasonable month to schedule such an event....If you have any reason to suggest an alternative month...again,,,provide your input directly to Dave Ellis..

Looking forward to successful 2024 planning for a very enjoyable 50th Anniversary Year in 2025...

DME out...
