1963 CHEVROLET TRUCK-OWNER PROTECTION PLAN 

THIS CHEVROLET TRUCK OWNER PROTECTION PLAN BOOKLET is very important to you and is provided by your Chevrolet Dealer.

This booklet contains your New Vehicle Warranty, Verification Vouchers, Policy on Owner Service and Owner Identification.

You should keep this booklet in the glove compartment of your vehicle at all times, since it serves as a means of introduction to any authorized Chevrolet dealer in the United States or Canada. Loss of your booklet should be avoided, since this could cause inconvenience in the event that warranty repairs are required.

Your Chevrolet dealer is always happy to advise and counsel you on the service and maintenance requirements of your new truck. You should avail yourself of the trained personnel, facilities and special equipment which are provided by your dealer to assure your satisfaction with your Chevrolet.

POLICY ON OWNER SERVICE

1. DELIVERY—To help you secure maximum satisfaction with your new Chevrolet, it has been inspected and conditioned according to Chevrolet recommended pre-delivery inspection schedule.

2. VERIFICATION VOUCHER—When Warranty Service is performed on your vehicle by a Chevrolet Dealer, you will be required to sign and surrender one of the Verification Vouchers included in this Booklet. If such Verification Vouchers have been used or lost, notify such Dealer. Prior use or loss of Verification Vouchers does not in any way void or affect the New Vehicle Warranty. While parts supplied under the warranty may be installed by any authorized Chevrolet Dealer, it is recommended that warranty services be performed by the Chevrolet Dealer issuing this booklet and from whom you purchased your vehicle, because of his continued and personal interest in you.

3. OWNER RESPONSIBILITY—Proper maintenance and care of your Chevrolet will help you achieve lower overall operating costs. Also if your Chevrolet is regularly and properly maintained by competent technicians you will avoid conditions arising from neglect which are not covered by the warranty. In this connection lubrication and maintenance services should be performed as prescribed in the Operator's Manual at the indicated mileage intervals.

4. SERVICE BY OTHER THAN SELLING DEALER—In the event your truck is on a trip or is based away from your Chevrolet Dealer's area, any Chevrolet Dealer in the U.S. or Canada will honor your warranty.

5. DESIGN CHANGES—The Manufacturer has reserved the right to make changes in design or add any improvements on motor vehicles and chassis at any time without incurring any obligation to install same on motor vehicles and chassis previously purchased.

6. PAINT AND OTHER APPEARANCE ITEMS—Imperfection in paint, trim or other appearance items is normally apparent and corrected during new vehicle pre-delivery conditioning. Damage due to usage is not covered by warranty. For your protection, you are urged to immediately call any imperfection to the attention of your selling Dealer, so that he may make any necessary correction.

TIRE WARRANTY

Tires and tubes included as original equipment on Chevrolet vehicles are not included within the provisions of the New Vehicle Warranty. They are covered by the Tire Manufacturer's Guarantee. Your Dealer will assist you when a tire adjustment is necessary. In this connection your owner identification will provide you with the date of delivery of your vehicle.

BATTERY WARRANTY

The Delco battery in your vehicle is covered against defects in material and workmanship under the terms of the New Vehicle Warranty for a period of twelve (12) months or twelve thousand (12,000) miles, whichever first occurs.

DELCO BATTERY SERVICE ADJUSTMENTS

For the purposes of these adjustments the following terms shall have the following meanings:

Adjusted Service Period—The period commencing with the expiration of the warranty period and expiring from 12 to 48 months from the date of delivery of the vehicle to the original purchaser depending upon weight and application of the vehicle. (See your Chevrolet truck or Delco battery dealer to determine the Adjusted Service Period applicable to the Delco battery in your particular vehicle.)

Months of Service—The total months covered by both the Warranty and Adjusted Service periods. The "months of service" commence to run on the date of delivery of the new vehicle to the original purchaser.

Undelivered Months of Service—The difference between the "months of service" and the months of actual service received.

Owner's Cost Per Month—The per month cost of the replaced battery to the owner determined by dividing the "months of service" into its current Delco battery manufacturer's suggested list price (or fleet owner's current cost).

DELCO BATTERY SERVICE ADJUSTMENTS (Continued)

Should the Delco battery in your vehicle prove defective under normal use within the Adjusted Service Period the defective battery can be exchanged for a new Delco battery of equal or greater capacity on an adjusted service (pro rata) basis at the place of business of an authorized Chevrolet dealer or Delco battery dealer. Credit toward the purchase of such new Delco battery will be equal to the "owner's cost per month" of the replaced battery multiplied by the number of "undelivered months of service".

Upon the expiration of the warranty, the Adjusted Service Period applies on a "months of service" basis only and mileage is not a factor. In no event is the date of installation of a replacement battery installed without charge pursuant to the warranty used as the beginning date for the months of service.

The provisions of this Delco Battery Service Adjustments shall not apply (A) to failure in service due to misuse, negligence or accident, including but not limited to improper installation, freezing, failure to have battery inspected regularly and filled with colorless, odorless drinking water when needed, use of electrolyte other than "battery grade" sulphuric acid solution of a specific gravity recommended by Delco-Remy Division of General Motors Corporation, or (B) to costs for recharging this battery or for the use of a rental battery.

DELCO BATTERY SERVICE ADJUSTMENTS

For the purposes of these adjustments the following terms shall have the following meanings:

Adjusted Service Period—The period commencing with the expiration of the warranty period and expiring from 12 to 48 months from the date of delivery of the vehicle to the original purchaser depending upon weight and application of the vehicle. (See your Chevrolet truck or Delco battery dealer to determine the Adjusted Service Period applicable to the Delco battery in your particular vehicle.)

Months of Service—The total months covered by both the Warranty and Adjusted Service periods. The "months of service" commence to run on the date of delivery of the new vehicle to the original purchaser.

Undelivered Months of Service—The difference between the "months of service" and the months of actual service received.

Owner's Cost Per Month—The per month cost of the replaced battery to the owner determined by dividing the "months of service" into its current Delco battery manufacturer's suggested list price (or fleet owner's current cost).

DELCO BATTERY SERVICE ADJUSTMENTS (Continued)

Should the Delco battery in your vehicle prove defective under normal use within the Adjusted Service Period the defective battery can be exchanged for a new Delco battery of equal or greater capacity on an adjusted service (pro rata) basis at the place of business of an authorized Chevrolet dealer or Delco battery dealer. Credit toward the purchase of such new Delco battery will be equal to the "owner's cost per month" of the replaced battery multiplied by the number of "undelivered months of service".

Upon the expiration of the warranty, the Adjusted Service Period applies on a "months of service" basis only and mileage is not a factor. In no event is the date of installation of a replacement battery installed without charge pursuant to the warranty used as the beginning date for the months of service.

The provisions of this Delco Battery Service Adjustments shall not apply (A) to failure in service due to misuse, negligence or accident, including but not limited to improper installation, freezing, failure to have battery inspected regularly and filled with colorless, odorless drinking water when needed, use of electrolyte other than "battery grade" sulphuric acid solution of a specific gravity recommended by Delco-Remy Division of General Motors Corporation, or (B) to costs for recharging this battery or for the use of a rental battery.
